

Phyllis Needleman

Secretary

Phyllis began to work as a community worker for various high schools, middle schools, and elementary schools in the San Juan school district for 29 years and has a strong passion to help youth in the foster system. Prior to her work for the district, she was an Activity Director at the Einstein Center. In 2017, in remembrance of her mother, she founded her first non-profit called Freda Fund which provides opportunities and support to youth in the foster system throughout the Sacramento region working in collaboration with the Sacramento Child Abuse Prevention Council.
